Leslie,

Please make that switch and redirect your efforts to the Cactus Mill at your earliest opportunity. Thanks,

Rick - Doug Jensen called me last Thursday and asked me to redirect my review efforts from Kiewit Project (received Feb 02,2010), with the Cactus Mill submittal (received Mar 03,2010). DOGM is happy to change the priority as requested by an operator, but please be advised that there was 4 large permits other large mine permits that came in between Feb 02 and Mar 03 and it will move the Kiewit Project behind the 4 other large mine permits.

Please let me know if you still want me to proceed as directed by Doug, as I can start on Cactus Mill today, if you want to interchange the priority dates of Cactus Mill and the Kiewit Project. Thanks - lah
